NANAIMO & DISTRICT

# HOSPITAL FOUNDATION

*Funding Healthcare Needs* • Central Vancouver Island

## MANAGEMENT'S RESPONSIBILITY

To the Members  
Nanaimo & District Hospital Foundation

Management has the responsibility for preparing the accompanying financial statements. This responsibility includes selecting appropriate accounting principles and making objective judgments and estimates in accordance with Canadian generally accepted accounting principles.

In discharging its responsibility for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and proper records are maintained to provide reliable information for the preparation of financial statements.

With the exception of the President, the Board of Directors is composed entirely of directors who are neither management nor employees of the Foundation. The President is an employee of the Foundation, reporting to the Board of Directors, and is an ex-officio member of the Board of Directors.

Hayes Stewart Little & Co., an independent firm of Chartered Accountants, is appointed by the members to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both management and the Board of Directors to discuss their audit findings.

## INDEPENDENT AUDITORS' REPORT

To the Members of  
Nanaimo & District Hospital Foundation

We have audited the non-consolidated financial statement of Nanaimo & District Hospital Foundation ("Foundation") as at June 30, 2011, which comprise the non-consolidated statement of financial position as at June 30, 2011 and the non-consolidated statements of operations and changes in fund balances and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the non-consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of these non-consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these non-consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the non-consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the non-consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the non-consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the non-consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the non-consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Basis for Qualified Opinion*

In common with many charitable organizations, the Foundation derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to donations, excess of revenue over expenses, assets and fund balances.

*Qualified Opinion*

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the donations referred to in the preceding paragraph, these non-consolidated financial statements present fairly, in all material respects, the financial position of the Nanaimo & District Hospital Foundation as at June 30, 2011 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

*Report on Other Legal and Regulatory Requirements*

As required by the Society Act (British Columbia), we report that, in our opinion, the accounting policies applied by the Foundation in preparing and presenting the financial statements in accordance with Canadian generally accepted accounting principles have been applied on a basis consistent with that of the preceding year.

NANAIMO & DISTRICT HOSPITAL FOUNDATION  
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2011

1. PURPOSE OF THE FOUNDATION

Nanaimo & District Hospital Foundation (the Foundation) is incorporated under the Society Act of British Columbia as a not-for-profit organization and is a registered charity under the Income Tax Act (the "Act"). It is exempt from income taxes and is able to issue donation receipts for income tax purposes. In order to maintain its status as a registered charity under the Act, the Foundation must meet certain requirements within the Act. In the opinion of management, these requirements have been met. The Foundation's mission is to provide funding for Nanaimo Regional General Hospital and other healthcare facilities within the Vancouver Island Health Authority in Central Vancouver Island to benefit the community. The Foundation provides grants for equipment, health related educational scholarships, major renovations and approved research. The Foundation owns two subsidiary companies: 629814 B.C. Ltd. operating as the Nanaimo Lifeline Program, a personal response service, and 606895 B.C. Ltd. operating as Code Brew, a coffee kiosk located at Nanaimo Regional General Hospital.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Outlined below are those policies considered particularly significant for the Foundation.

(a) Fund Accounting

The Foundation follows the restricted fund method of accounting for contributions. In order to ensure observance of the limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by the donors or in accordance with directives issued by the Board of Directors. Transfers between the funds are made when it is considered appropriate and authorized by the Board of Directors. For financial reporting purposes, the accounts have been classified into the following funds:

**General Fund**

The General Fund accounts for the Foundation's general fundraising, granting, and administrative activities, and reports unrestricted resources and internally restricted funds. The Board has determined the internally restricted funds in the amount of \$550,000 (2010 - \$550,000) not designated for any specific purpose. The General Fund also reports the assets, liabilities, revenues and expenses related to the Foundation's capital assets.

**Externally Restricted Fund**

The Externally Restricted Fund includes:

Specified Equipment Funds – reports only restricted resources that must be used for the purpose of purchasing equipment for the Nanaimo Regional General Hospital.

Education Funds - reports only restricted resources that must be used for education purposes at Nanaimo Regional General Hospital.

Designated Contributions Funds – reports only restricted resources that must be used for specific areas within the Nanaimo Regional General Hospital. A charge is administered against certain designated contributions received during the year to recover overhead costs.

NANAIMO & DISTRICT HOSPITAL FOUNDATION

NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2011

2. SIGNIFICANT ACCOUNTING POLICIES - continued

**Gaming Fund**

The Gaming Fund reports the revenues and costs associated with the Lotto for Life, as well as gaming funds donated from other charitable organizations. Net proceeds are donated to Nanaimo Regional General Hospital for the purpose of equipment for the hospital.

**Externally Restricted Endowment Fund**

The Endowment Fund reports resources contributed for endowment. Investment income earned on resources of the Endowment Fund is reported in the General Fund unless otherwise directed by the donor.

(b) Revenue Recognition

Unrestricted and restricted contributions are recognized as revenue of the appropriate fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Lottery revenue is recognized in the fiscal year in which the program is concluded. Revenue and expenses related to lotteries for which prize draws take place subsequent to the year-end are deferred.

Contributions for endowment are recognized as revenue of the Endowment Fund. Investment income earned on Endowment Fund resources is recognized as revenue of the General Fund unless otherwise directed by the donor.

Donations and bequests are recorded in the year of receipt.

Contributed materials and services are recognized in the financial statements when their fair value can be reasonably determined and they are used in the normal course of the organization's operations and would otherwise have been purchased.

(c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, balances with banks, and investments. Bank borrowings are considered to be financing activities.

(d) Investments

In accordance with section 3855 Financial Instruments - Recognition and Measurement of the CICA Handbook, the Foundation has classified its investments as 'held for trading' and has reported them at their fair market value based on quoted prices at year end. Investment income is recorded as revenue in the appropriate fund in the period in which it arose.

Investments in subsidiary companies are accounted for using the equity method. Accordingly, these investments are recorded at acquisition cost and are increased for post acquisition earnings and decreased by losses and dividends paid.

NANAIMO & DISTRICT HOSPITAL FOUNDATION

NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2011

2. SIGNIFICANT ACCOUNTING POLICIES – continued

(e) Capital Assets

Capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of receipt. Amortization expense is reported in the General Fund. Amortization of capital assets has been calculated annually over their estimated useful lives at the following rates:

Building	4% declining balance
Building fixtures	5 year straight line
Furniture	10 year straight line
Office & computer equipment	5 year straight line
Computer software	3 year straight line

(f) Financial Instruments

The Foundation's financial instruments consist of cash, investments, accounts receivable, accrued interest receivable, accounts payable and accrued liabilities, and long term debt. Unless otherwise noted, it is management's opinion that the Foundation is not exposed to significant interest (see note 7 for fixed interest rate on debt), currency or credit risks arising from these financial instruments. Financial instruments are recorded at their fair value, or, in the case of investments, their market value, at June 30, 2011.

(g) Measurement Uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of capital assets, as outlined in (e) above. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the periods in which they become known. Actual results could differ from these estimates.

(h) Allocation of expenses

The Foundation engages in providing funding for Nanaimo Regional General Hospital and other healthcare facilities within the Central Vancouver Island region to benefit the community. The Foundation provides grants for equipment, health related educational scholarships, major renovations and approved research. The costs of fundraising activities conducted to raise money for specific equipment or projects, include the costs of human resources, office, and other expenses that are directly related to fundraising. These costs are identified on the Non-consolidated Statement of Operations and Fund Balances as fundraising expenses, and are allocated directly to the General Fund, the Externally Restricted Fund, the Gaming Fund, and the Endowment Funds. The Foundation also incurs a number of administrative expenses for the operation of its offices; these expenses are identified on the Non-consolidated Statement of Operations and Fund Balances as Administrative Expenses, and are allocated directly to the General Fund.

NANAIMO & DISTRICT HOSPITAL FOUNDATION  
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2011

2. SIGNIFICANT ACCOUNTING POLICIES – continued

(i) Changes in accounting framework

Effective for financial statement years beginning on or after January 1, 2012, the Canadian Institute of Chartered Accountants (CICA) has decided to transition Canadian GAAP for non-profit organizations. The Foundation has a choice to either adopt the requirements under section III of the CICA Handbook or International Financial Reporting Standards (IFRS). The Foundation is in the process of reviewing the impact of these new standards on its reporting framework and financial statements.

3. CAPITAL MANAGEMENT

The Foundation's objectives when managing capital are:

- (i) to safeguard the Foundation's ability to continue as a going concern;
- (ii) to ensure enough funds are available to meet all the Foundation's funding commitments for facilities and equipment; and
- (iii) to have sufficient resources available for operations.

The above objectives are considered in the preparation of the Foundation's annual budget, and in monitoring of cash flows and actual operating results compared to budget. A portion of the Foundation's capital is restricted in that the Foundation is required to meet certain requirements in order to utilize its externally restricted funds. The Foundation employs internal processes to ensure the restrictions are met prior to the utilization of these resources, and expends capital in accordance with Canada Revenue Agency guidelines for charities.

The Foundation's borrowing is subject to meeting certain debt covenants. Contributions received for designated purposes must be used for the purpose designated by the donor. The Foundation has complied with the external restrictions on contributions provided.

4. CASH AND INVESTMENTS

The cash balance includes \$670,968 (2010 - \$707,375) in funds derived from gaming activities. The use of these funds is restricted by an agreement with the Government of British Columbia Gaming Commission.

Investment Portfolio:

	General Fund	Endowment Fund	2011	2010
Cash balance	\$1,437	\$2,156	\$3,593	\$2,889
Portfolio	<u>838,738</u>	<u>1,227,003</u>	<u>2,065,741</u>	<u>1,921,778</u>
	<u>\$840,175</u>	<u>\$1,229,159</u>	<u>\$2,069,334</u>	<u>\$1,924,667</u>

The General Fund portfolio investments includes \$550,000 (2010 - \$550,000) of funds set aside by the Board in previous years on the understanding that it could only be spent with Board approval. The Board has determined that this amount is internally restricted and is not designated for any specific purpose.

NANAIMO & DISTRICT HOSPITAL FOUNDATION  
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2011

4. CASH AND INVESTMENTS - continued

Investment Income:

Investment income includes interest, dividends, and realized and unrealized gains (losses) related to measuring the investments at market value at June 30, 2011. Investment management fees of \$17,513 (2010 - \$16,467) have been included in bank and investment fees on the non-consolidated statement of operations and changes in fund balances.

NANAIMO & DISTRICT HOSPITAL FOUNDATION  
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2011

7. LONG TERM DEBT

	<u>2011</u>	<u>2010</u>
The Foundation has entered into a mortgage loan for the purchasing of office space. The total amount borrowed is \$850,000 with an amortization period of 20 years, maturing February 26, 2013. The interest rate is a five-year fixed rate of 5.89% with a monthly payment, principal and interest, of \$6,000. The mortgage is secured by a General Security Agreement representing a first charge on all the foundation's assets and undertakings, a continuing collateral mortgage representing a first charge on the real property secured by the mortgage, a general assignment of rents and leases representing a first charge, assignment of fire insurance in the amount of \$850,000, general liability insurance of \$1,000,000, and an environmental indemnity agreement.	\$ 767,315	\$ 793,821
Amounts payable within one year	<u>(28,089)</u>	<u>(26,506)</u>
	<u>\$ 739,226</u>	<u>\$ 767,315</u>

The minimum annual principal payments are approximately:

2012	28,089
2013	29,768
2014	31,548
2015	33,434
2016	35,431
Thereafter	609,045

8. INTERFUND CHARGES

An administration charge of \$133,217 (2010 - \$116,702), representing up to 15% of designated donations to certain funds has been reported as a cost recovery.

9. DONATIONS AND GIFTS-IN-KIND

Donations recognized in the general fund include gifts-in-kind received in fiscal 2011 having a fair value of \$73,427 (2010 - \$69,357). A corresponding amount has been included in grants to programs.

10. COMMITMENTS AND CONTINGENCIES

At June 30, 2011, the Foundation has committed to fund the following future projects and equipment:

Emergency Renovation Project	\$ 4,000,000
Dufferin Place Renovation Project	68,148
Palliative Care Project	339,168
General Equipment	276,200

It is anticipated that these commitments will be partially offset by multi-year donations, specifically pledged to fund equipment. No provision for these commitments has been reported in the non-consolidated financial statements; the donation expense will be reported in the year the equipment is purchased by the hospital.

NANAIMO & DISTRICT HOSPITAL FOUNDATION  
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2011

11. GOING CONCERN

These non-consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the payment of liabilities in the ordinary course of business. Should the Foundation be unable to continue as a going concern, it may be unable to realize the carrying value of its assets and to meet its liabilities as they become due.

The Foundation's ability to continue as a going concern is dependent upon its ability to maintain profitable operations and generate funds there from, and to continue to obtain borrowings from third parties sufficient to meet current and future obligations and/or restructure the existing debt and payable. These non-consolidated financial statements do not reflect the adjustments or reclassification of assets and liabilities, which would be necessary if the Foundation were unable to continue its operations.

Management has reviewed whether events or circumstances indicate that the going concern basis of financial statement preparation may not be appropriate. They have concluded that there is not such an indication.

12. COMPARATIVE FIGURES

Certain comparative figures have been restated to conform with the current year's presentation.
