- **Golf for Life** – The 21st annual tournament on September 5th, 2014 sold out and raised almost \$70,000 for two new O.R.s at NRGH. Golfer Gene Nutter sunk a hole-in-one to win \$10,000 thanks to hole sponsor Knappett Industries.
- **November** – two dozen men grew moustaches in November and raised \$12,088 in pledges to help purchase a new cystoscope at NRGH for men's health.
- **Lotto for Life** – The 22nd annual hospital lottery sold out all 5,000 tickets for the first time since 2003! Additionally the \$100,000 Grand Prize winners were in the audience on the night of the draw – congratulations again Pauline Ashton and Edward Greskow. Sincere thanks to sponsors (who provide prizes at discounted prices), ticket outlet partners, and especially ticket purchasers!
- **Run for Life** – Imagine, more than 200 registrants joined the 12th annual Run, raising almost \$50,000 for the two new O.R.s at NRGH. This was the most successful Run for Life in Foundation history! Thank you!
