

**Message from the Board Chair
Moira Jenkins**

The board, staff and volunteers, under the excellent Board leadership of Greg Scott and the tremendous work of Janice Perrino and her dedicated staff, have achieved excellence in fundraising for healthcare in our region. It is a privilege to be the new Board Chair and part of this passionate team.

I want to personally thank our donors whose commitment to healthcare in our community is so appreciated. It is an exciting time for our hospital with the expansion of our cardiac and endoscopy departments and the important news of a new ICU. We have lofty goals to support these and other projects. Thank you for your help.

**Message from the CEO
Janice Perrino**

The Nanaimo & District Hospital Foundation is proud to be a partner in helping to bring the best healthcare possible to our Central Island communities.

As our population continues to grow, the strain on the system increases with it.

This past year, together with the support of our donors, the Hospital Foundation has provided funding for vital projects that increase capacity and help reduce wait times.

Thank you to all of our donors who are investing in the health of our community now and for generations to come.

4th Annual Light the Trees Christmas Campaign

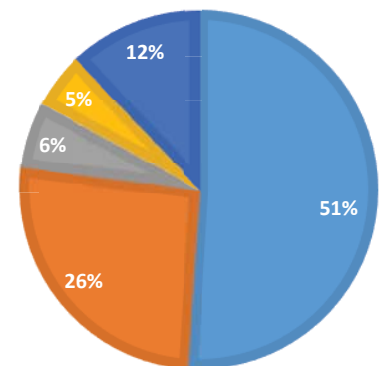

The Nanaimo & District Hospital Foundation is celebrating another successful Light the Trees Christmas campaign. An incredible \$975,000 was raised! We hope to reach our \$1 million goal by the end of January. We are so grateful for the community's generosity.

These funds are vital for improving and expanding healthcare services for central Vancouver Island residents including the new surgical suite for the Endoscopy Department at Nanaimo Regional General Hospital. As a monthly donor, you are an important part of this success. **Thank you!**

Funding by Donor Group

The Foundation receives support from a wide range of donors each year. We are very grateful for the contributions that helped us provide better healthcare for our community in 2019.

Over \$2.7 million raised!

- Estates
- Individuals
- Foundations
- Service Clubs
- Corporate

By the Numbers: NRGH

At NRGH each year, approximately

- **1,250** babies are born
- **69,000** Emergency patients are helped
- **17,000** patients are admitted for medical care
- **11,000** MRI's and **26,000** CT Scans are provided
- **4,800** in-patient surgeries, **9,000** daycare surgeries and **1,000** hip and knee replacements are performed

Your support positively impacted thousands of patients!

Golf for Life

Over **\$94,000** was raised at our 26th annual tournament. We thank all the sponsors, golfers and volunteers for making the event a success. Save the date for September 11, 2020!
