Thank you! Your commitment will have an impact on healthcare in our region.

The Nanaimo & District Hospital Foundation was founded to support Island Health facilities. Including NRGH, Oceanside Healthcare Clinic, Dufferin Place, Eagle Park Health Care Facility, and Trillium Lodge. Today, we are raising millions to support our region's healthcare facilities by leading major fundraising campaigns for critical medical equipment, construction projects and programs that provide the best and highest level of healthcare to the

residents in central and north Vancouver Island.
