We are delighted to invite you to support the Nanaimo & District Hospital Foundation's annual signature fundraising event, Soirée by the Sea, taking place this June. This premier event is the perfect way to kick off summer on Central Vancouver Island, offering an extraordinary evening of fine cuisine, captivating entertainment, and meaningful philanthropy. Set against the breathtaking natural beauty of Satsutshun Island, this unique fundraising experience brings together the generosity of our community and the shared commitment to improving healthcare.

Following the phenomenal success of last year's inaugural Soirée – over \$200,000 was raised in nine minutes to fund nine urgently needed new beds for the perinatal unit at NRGH. Thanks to the incredible generosity of our guests, these contributions have made a lasting impact on the lives of mothers and babies in our region. We look forward to continuing this inspiring legacy with your invaluable support.

This year's Soirée by the Sea will once again raise funds for urgently needed medical equipment, ensuring Nanaimo Regional General Hospital, our only tertiary hospital for the region of Central and North Vancouver Island, is equipped to provide the highest level of care when it matters most.

Join us as a sponsor, and gain exclusive benefits such as prominent recognition, enhanced brand visibility and preferential treatment at future events, to a captive audience full of high net worth and influential individuals. Your support will not only help shape the success of this year's Soirée but will also position your organization as a valued partner in advancing healthcare excellence across our region.

Our sponsorship levels offer tailored opportunities to maximize your brand exposure while highlighting your commitment to corporate social responsibility. With limited sponsorship spots available, we encourage you to act quickly to secure your place at this one-of-a-kind event.

Please review the attached sponsorship package, which outlines various partnership options that can be tailored to meet your strategic goals. We will follow up with you within the next seven days to answer any questions you may have and discuss the next steps.

Thank you for considering this incredible opportunity to make a tangible impact on the health and well-being of our community. We are excited about the potential of partnering with you and hope to welcome you onboard for what promises to be another inspiring evening.

Yours sincerely,
The Nanaimo & District Hospital Foundation Team
