The Nanaimo and District Hospital Foundation invites you to support Soirée by the Sea, our signature fundraising event taking place this June on Saysutshun Island. This exclusive evening brings together our community of donors and supporters for exceptional dining, live entertainment, and philanthropy in support of local healthcare.

Last year, Soirée by the Sea raised $187,500 to support the Rehabilitation Unit at NRGH, helping patients regain independence, return home sooner, and supporting the incredible rehab team who guide that recovery every day. In 2024, donor support also funded nine new perinatal unit beds, transforming care for mothers, newborns, and the healthcare teams who support them. The impact of this event is real and far-reaching - and we invite you to be part of what's possible this year.

As a sponsor at this year's celebration, your organization will receive prominent recognition, enhanced brand visibility, and exclusive engagement opportunities with a highly engaged audience, while demonstrating a strong commitment to healthcare in our community.

Sponsorship opportunities are limited. We invite you to review the attached package and consider joining us in advancing care for our region.

The Nanaimo & District Hospital Foundation Team
