

The Power of Giving Beyond a Lifetime Gifts of Life Insurance

A legacy gift through life insurance is a powerful way to ensure that Nanaimo & District Hospital Foundation (NDHF) continues to support compassionate, innovative healthcare for decades to come.

Your legacy gift ensures that future generations have access to quality, specialized care right here on Central Vancouver Island, where patients can remain close to family and community during treatment.

Your life insurance policy is a valuable asset - one that can create a lasting impact.

Why Consider this Gift?:

- Immediate and future tax advantages.
- Ability to make a significant gift without impacting your current lifestyle.
- A lasting legacy that reflects your values and commitment to healthcare.

Your Options:

- Name NDHF as Beneficiary: If you already hold an existing policy, simply name the Foundation as the beneficiary. Your estate will receive a charitable tax receipt for the proceeds.
- Transfer Ownership of an Existing Policy: You can transfer ownership of a partially paid-up policy to the Foundation and name us as beneficiary. You'll receive a charitable tax receipt for its fair market value and for any ongoing premium payments.
- Create a New Policy: Take out a new policy and name NDHF as both owner and beneficiary. You'll receive annual tax receipts for the premiums you pay.
- Gift a Paid-Up Policy: If you have a fully paid-up policy that no longer meets your needs, you can donate it to the Foundation. Any cash value is considered part of the gift, and you'll receive a charitable tax receipt.

Donor Recognition:

We are honored to celebrate your generosity. Legacy donors are recognized through:

- Membership in our Legacy Circle
- Name listing in NDHF publications and annual reports
- Recognition on donor walls within Nanaimo Regional General Hospital

- Invitations to exclusive appreciation events

We respect your wishes: if you prefer to remain anonymous, we will honor your request.

Our Legacy Circle:

When you create a legacy gift, you join a special group of supporters committed to advancing health care for future generations. If you've already included us in your plans, please let us know so we can thank you and, with your permission, recognize your generosity.
